

# Corbin Bleu & Vanessa Hudgens, Still There For

[Corbin]

Lately I've been thinking  
About the things that we've been through  
And I don't know if I'd be here,  
If not for you  
I had to take a little time  
To try to work things out  
And You should know that  
I have never meant  
To let you down

[Both]

[Chorus]

Cause I, I  
Wannna tell you that I'm sorry  
And I, I  
Even when I'm not giving enough  
And I'm taking too much  
You're still there for me  
Even when I got nothing at all  
And I'm ready to fall  
You're still there for me  
There for me  
There for me  
Even when I can't be there for you  
You're always there for me

[Vanessa]

Sometimes I know I can be  
So hard to understand (It's ok)  
Even when I'm lost  
You show me who I really am  
Life with me hasn't always been an easy ride  
But because of you I've learned

To lose my selfish pride

[Both]

[Chorus]

Cause I, I  
Wannna tell you that I'm sorry  
And I, I  
Even when I'm not giving enough  
And I'm taking too much  
You're still there for me  
Even when I got nothing at all  
And I'm ready to fall  
You're still there for me  
There for me  
There for me  
Even when I can't be there for you  
Oh you're always there for me yeah  
Oh no it's love  
Oooooouhhh (Oooohhh)  
It must be love  
Oohhhh  
It's gotta be real love (It's gotta be real love)  
Even when I'm not giving enough  
And I'm taking too much  
You're still there for me  
Even when I got nothing at all  
And I'm ready to fall  
You're still there for me  
There for me  
There for me  
Even when I can't be there for you (When I can't be there)  
Even when I can't be there for you

You're always there for me
