

Cord, Taking It Back

I've got to go
I've got to get out of here
Anywhere where I can be alone
Is there a case, a case of the great unknown
I caught it on my own and now I am here
I'm absolutely positively clear
I can recall when I was younger
Always had the urge, but felt no hunger
Now that I know I wish that I was there
Now I'm getting out of here
Conscious of mind, a conscious I had the time
I felt that I was fine
I can't complain
I'm taking it back, I'm taking it back for good
I'd keep it if I could, but I'll be fair
I am absolutely positively clear
Every time I think what I am saying
Thankful for the days that I was praying
Even when I said I didn't care
Cause I'm getting out of here
For the first time I felt that I was so damn sure
For the first time I felt that I was wrong
Now I'm getting out of here
