

Corey Crowder, No More Handouts

You've been this way
Since I've known you
And know you're asking
For my advice.

But I don't give handouts
To those who won't help themselves
No I don't give handouts
To those who won't help themselves.

And if you're looking
For some answers
Don't come running here
(x2)

Cause I don't give handouts
To those who won't help themselves
