

# Corona, I gotta keep dancin'

I gotta keep dancin'

Smiling

To keep from breaking apart

I gotta keep dancin'

Smiling

To cover up my broken heart

I began to spin

Please help me pretend, that I don't see

Just walked in the door

I'm weak in the knees

But I gotta make believe that I'm hurt- free

I just can't let him know

That my heart is, breaking apart

Music rescue me

I gotta keep dancin'

Smiling

To keep from breaking apart

I gotta keep dancin'

Smiling

To cover up my broken heart

Don't let the music stop

I've gotta camouflage my feelings

He's not here with me

I should've know

That I never should've come, to the party

And just listen to the beat

Music can you, take me away

Help me hide my face

Keep on dancin', do do do do do do yeh

Keep on smiling, do do do do do do yeh
