

Correatown, All The World (I Tell Myself)

Say that I'm changed
Say I'm different
Maybe I finally understand
Say I've let go
Say that it's obvious
I tell myself over and over
And over and over again
I'm ready I'm ready
I'm ready to believe
Tell me I'm strong
Tell me I'm weak
Tell me I'll never, never bend
Tell me I'm fire
Tell me I'm cold
Cold I tell myself over and
Over and over again
I'm ready I'm ready
I'm ready to believe
'Cuz I want to feel my heart
Yes I want to feel my heart
Yeah I want to feel feel feel my heart
So tell me I'm strong
Tell me I'm weak
Tell me I'll never understand
Oh, but I'm ready
I'm ready I'm ready to believe
