

Corrosion Of Conformity, Albatross

Well I'm feeling left behind
Lord what a waste of time
They're coming to get you
Run on

How can I respect your crime?
When all you criminals whine
They bought and sold you
Run on
Run on

Well you can call me crazy
You can call me wrong
Cause see I was born a liar
Albatross
Fly on
Fly on

My home is kind
Man, it pays to be blind
Well I promise to forget you
Run on
Yea
No swallowed pride
No conspiracy lined
Broken promise of virtue
Run on
Run on

Well you can call me lazy
But I know where I belong
Cause cause I was born a liar
Albatross
Fly on

With your trust in love
From your god above

Ooo I believe
The albatross is me

Well you can call me crazy
You can call me wrong
Cause cause I was born a liar
Albatross
Fly on
Fly on

I should have seen the signs
Now the memorys far behind
It was no big loss
Fly on albatross
Yea

Fly on x2
Albatross
Yea
Fly on x2
