

Corrosion Of Conformity, Damned For All Time

They Say They Live Their Lives With Purity
Only Looking Through The Whites Of Their Eyes
One Nation Under God, Just Like Protectory
Are They Really Hearing The Third World Cries?

History Repeats Itself
Self-Emulation Breeding Prosperity
As The Nation Grows, The Brotherhood Dies
"Free As A Bird" Are Words Meant For You And Me
Words That Never Fit Between The Lies

History Repeats Itself
I Was Born In A Nightmare - Dont Have A Choice
No One Seems To Listen 'Cos No One Seams To Hear My Voice
I Am But One Of Billions - Teaming Faceless Legions
Damned To Repeat The Crimes Of Those Who Went Before

[Chorus]
The Teeth In The Gears Of The Killing Machine
Are Getting Sharper As Time Moves On
As The Politician's Wingtip Presses On The Gas
A Thousand Soldiers Will Soon Be Gone
Plowing Through The Land To Annihilate For Peace
Another War Child Is Spawned
Sowing Seeds Of Destruction In The Name Of The Beast
