

# Counting Crows, Butterfly In Reverse

Mary-Ann

You're better than the world  
They took a lot of time  
Getting it right on this girl  
I said, Mary-Ann  
You're better than the world  
They did a lot of things right on this girl

Had a lot of girlfriends  
I should have known them  
Click your heels and count back from three  
Do you wanna go back?  
You should have known  
That the butterfly in reverse here is me

Mary-Ann

You're better than the world  
They took a lot of time  
Getting it right on this girl  
I said, Mary-Ann  
You're better than the world  
They did a lot of things right on this girl

Where'd you wanna go to  
With nothing beside you  
But webbing and curfews and rain?  
And everything that hurts you  
Is locked up inside you  
Like butterflies with wings  
And other perfect things

We go swimming in the sunshine  
Dangling from clotheslines  
Separate and fall into me  
And did you ever see me  
Me absolutely?  
Me, but all you, but still me?

Mary-Ann

You're better than the world  
They took a lot of time  
Getting it right on this girl  
I said, Mary-Ann  
You're better than the world  
They did a lot of things right on this,  
Did a lot of things right on this,  
Did a lot of things right on this girl
