

# Counting Crows, Expose Me

I have so many talents  
I'm afraid to show them  
People may not like them

So they're hidden  
Hidden within  
Where no one can hate them!  
Or appreciate them?

I have so many dreams  
I'm afraid to reveal them  
People may not accept them

So they're hidden  
Hidden within  
Where no one can kill them!  
Or fulfill them?

I have so many beautiful thoughts  
I'm afraid to share them  
People may ignore them

So they're hidden  
Hidden within  
Where no one can ignore them!  
Or enjoy them?

I hate to hid  
I hide cause I'm lonely  
I need someone who will expose me

Is it you?
