

Counting Crows, Grow Old With You

I wanna make you smile whenever you're sad

Carry you around when your arthritis is bad
All i wanna do is grow old with you

I'll get your medicine when your tummy aches
Build you a fire if the furnace breaks
Oh it could be so nice, growing old with you

I'll miss you
I'll kiss you
Give you my coat when you are cold

I'll need you
I'll feed you
Even let ya hold the remote control

So let me do the dishes in our kitchen sink
Put you to bed if you've had too much to drink

it could be so nice growing old with you

I'll miss you
I'll kiss you
Give you my coat when you are cold

I'll need you
I'll feed you
Even let ya hold the remote control

So let me do the dishes in our kitchen sink
Put you to bed if you've had too much to drink
it could be so nice growing old with you

I wanna make you smile whenever you're sad

Carry you around when your arthritis is bad
All i wanna do is grow old with you
I wanna grow old with you
