

# Counting Crows, Shake Some Action

(original by Flamin' Groovies)

Shake Some Action

I will find a way

to get to you some day.

Oh, but I, babe,

I'm so afraid I'll fall,

yeah. Now can't you hear me call?

Shake some action's what I need

To let me bust out at full speed.

I'm sure that's all you need

to make it all right.

It's taken me so long

to get where I belong

Oh, but, oh, please don't send me back that way, yeah.

For I will make you pay. (refrain)

if you don't dig what I say

Then I will go away.

and I won't come back this again.

No. 'Cause I don't need a friend.

(refrain)

(guitar solo again)
