

Counting Crows, Unsatisfied

(Original by The Replacements)

Look me in the eye
then, tell me that I'm satisfied
Was you satisfied?
Look me in the eye
then, tell me that I'm satisfied
Hey, are you satisfied?
And it goes so slowly on
Everything I've ever wanted
Tell me what's wrong
Look me in the eye
and tell me that I'm satisfied
Were you satisfied?
Look me in the eye
then, tell me I'm satisfied
And now are you satisfied?
Everything goes
Well, anything goes all of the time
Everything you dream of
is right in front of you
And every dream is a lie
Look me in the eye
And tell me that I'm satisfied
Look me in the eye
Unsatisfied
I'm so, I'm so unsatisfied
I'm so dissatisfied
I'm so, I'm so unsatisfied
I'm so unsatisfied
Well, I'm-a
I'm so, I'm so unsatisfied
I'm so dissatis,dissattis...
I'm so
