

Courtney Jaye, Can't Behave

I got eyes in the back of my head
Your halo's turnin' red
Foolin' around knocking me off my cloud
They're talking about your mischievous ways
Boy it's painted all over your face
Stealing a kiss mysterious whispers
A thorn in my pride
I'm still by your side but
One day I'm walking away
The tide is gonna turn I'm gonna find my place
Give me a reason to stay
I want to be your lover
Baby but you can't behave
Remember the days and the Hollywood nights
What happened to paradise
Stolen away and I can't replace it now
Cause rumors are flying
that I can't avoid
Are they true or am I paranoid
Livin' like this it's drivin' me crazy
So make up your mind
You're running out of time
chorus
Ease all of my worries
Please don't make me play the fool
Baby won't you hurry
You don't know what you're gonna lose
chorus
