

# Courtney Jaye, Somersault

I let another record play  
I want the feeling  
Its still the only time of day  
I can believe in  
I watch it spin around again  
To start me dreaming  
I wasn't lost  
Wasn't found  
Wasn't anywhere at all  
Wasn't up  
Wasn't down  
Til you showed me  
In a somersault  
You never know where you are  
Its easy to get lost  
Easy to think nobody's breaking your fall  
Now the summer's gone  
And until your return  
In a somersault  
Thinking of you  
I'll turn  
Its hard to keep you at bay  
So I keep busy here  
Just filling seconds of the day  
Until you are near  
I wasn't in  
Wasn't out  
Wasn't anything at all  
Wasn't up  
Wasn't down  
Til you showed me  
[Chorus]  
I wasn't lost  
Wasn't found  
Wasn't anywhere at all  
Wasn't up  
Wasn't down  
Til you showed me  
[Chorus]
