

Courtney Love, I Think That I Would Die

He's stupid
I'm smarting
He's stupid
I'm smarting

I want my baby
Where is the baby?
I want my baby
Who took my baby?

Rose white rose red
Rose up in my head
Rose white rose red

Yeah yeah
I want some
Yeah yeah
There is none

I want my baby
Where is the baby?
I want my baby
Where is the baby?

There is no milk
There is no milk
There is no milk
There is no milk

Rose white rose red
Rose up in my head
Rose white rose red
No
She lost all her innocence
Gave it to an absess
She lost all her innocence
She said, "i am not a feminist"

It's
Not
Yours
F**k you

There is no milk
There is no milk
There is no milk
There is no milk
There is no milk
