Twilight

I'm loving this twilight

I'm loving this twilalalalalalalal twilight

Baby, I've known you for a long long time
I never thought that we would find
What we're holding in our hands
Lately, I've been thinking I should make you mine
Been thinking that we should define
What we are, what we are, oh oh

And you know I love to be in control
But recently I don't know what to do
I'm losing it over you, oh

Ooh la, ooh la
When you say my name
I can feel the flame getting stronger
Oh, let me hear you say
Ooh la, ooh la
We both feel the same
And I can't play this game any longer

Oh boy
I'm loving this twilight
I'm loving this twilight
I'm loving this twilalalalalalalal twilight

Closer
I love it when you lean in close
You touch my heart like you don't know
And I'ma show you, yeah I'ma show you now

And you know I love to be in control
But recently I don't know what to do
I'm losing it over you

Ooh la, ooh la
When you say my name
I can feel the flame getting stronger
Oh, let me hear you say
Ooh la, ooh la
We both feel the same
And I can't play this game any longer

Oh boy
I'm loving this twilight
I'm loving this twilight
I'm loving this twilalalalalalalal twilight

Yeah girl, I think about you all of the time
I love your smile and the way that you shine
Wondering how I'm going to make you mine
When it turns to night, I will make it right
So many things I've been waiting to say
Held in my heart for a day like today
I wanna hold you till the light fades away
I wanna hold you till the light fades away

Ooh la, ooh la
When you say my name
I can feel the flame getting stronger
Oh, let me hear you say
Ooh la, ooh la

We both feel the same
And I can't play this game any longer

Oh boy
I'm loving this twilight
I'm loving this twilight
I'm loving this twilalalalalalala twilight
I'm loving this twilight
I'm loving this twilight
I'm loving this twilalalalalalala twilight
