Twilight

I?m loving this twilight

I?m loving this twilalalalalalalalalal twilight

Baby, I?ve known you for a long long time  
I never thought that we would find  
What we?re holding in our hands  
Lately, I?ve been thinking I should make you mine  
Been thinking that we should define  
What we are, what we are, oh oh

And you know I love to be in control  
But recently I don?t know what to do  
I?m losing it over you, oh

Ooh la, ooh la  
When you say my name  
I can feel the flame getting stronger  
Oh, let me hear you say  
Ooh la, ooh la  
We both feel the same  
And I can?t play this game any longer

Oh boy  
I?m loving this twilight  
I?m loving this twilight  
I?m loving this twilalalalalalalalalal twilight

Closer  
I love it when you lean in close  
You touch my heart like you don?t know  
And I?ma show you, yeah I?ma show you now

And you know I love to be in control  
But recently I don?t know what to do  
I?m losing it over you

Ooh la, ooh la  
When you say my name  
I can feel the flame getting stronger  
Oh, let me hear you say  
Ooh la, ooh la  
We both feel the same  
And I can?t play this game any longer

Oh boy  
I?m loving this twilight  
I?m loving this twilight  
I?m loving this twilalalalalalalalalal twilight

Yeah girl, I think about you all of the time  
I love your smile and the way that you shine  
Wondering how I?m going to make you mine  
When it turns to night, I will make it right  
So many things I?ve been waiting to say  
Held in my heart for a day like today  
I wanna hold you till the light fades away  
I wanna hold you till the light fades away

Ooh la, ooh la  
When you say my name  
I can feel the flame getting stronger  
Oh, let me hear you say  
Ooh la, ooh la

We both feel the same  
And I can't play this game any longer

Oh boy  
I'm loving this twilight  
I'm loving this twilight  
I'm loving this twilalalalalalalal twilight  
I'm loving this twilight  
I'm loving this twilight
