## Cowboy Junkies, Me And The Devil

Early this morning, he knocked on my door Early this morning he knocked on my door I said "Hello, Satan, I believe it's time to go"

Me and The Devil are walkin' side by side Me and The Devil are walkin' side by side Well, I'm goin' to beat my man until I get satisfied

He says I don't do him right That I dog him around Well, babe, you know you ain't treating me right He says I don't do him right That I dog him around Well, it must be this old evil spirit So deep down within the ground

You may bury my body down by the highway side ...oh, babe I don't care what you do with my body You may bury my body down by the highway side So my old evil spirit can catch a Greyhound bus and ride

Early this morning, he knocked on my door Now me and The Devil are walking side by side Side by side
