

Cowboy Junkies, One

[U2 cover]

Is it getting better
Or do you feel the same
Will it make it easier on you now
You've got someone to blame

You say one love one life
When its one need in the nightone love we get to share it
It leaves you baby if you dont care for it

Did i disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without

Well it's too late tonight
To drag the past out into the light
We're one, but we're not the same
We get to carry each other carry each other one

Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play jesus
To the lepers in your head?

Did i ask too much more than a lot
You gave me nothing now it's all i got
We're one but we're not the same
Well we hurt each other then we do it again

You say love is a temple, love a higher law
Love is a temple, love the higher law
You ask me to enter, but then you make me
And i can't be holding on to what
When all you got is hurt one love one blood
One life you got to do what you should
One life with each othersisters brothers
One life but we're not the same
We get tocarry each other carry each other one
