

# Cowboy Junkies, Someone Out There

Someone  
Out there  
Kneeling.

No one  
Out there  
Listening.

But what I want to know  
Before you save my soul  
Is who gave this power to that fucker up there?

Someone  
Out there  
Crying.

Someone  
Out there  
Waiting.

But what I want to know  
Before I let you go  
Is who gave this power to that fucker up there?
