

Coyote Shivers, Secretly Jealous

I hate life, it's a stupid board game,
I hate just about everything,
I wanna blow out the candle,
Blow out my brain,
I'm secretly jealous of Kurt Cobain,
And the colored girls sing,

Doo - doodoo - doodoo - doo - doodoo
Doo - doodoo - doodoo - doo - doodoo

I want a million dollars,
I want fortune and fame,
I want to wash my drugs down with champagne,
Until I blow out the candle,
Blow out my brain,
I'm secretly jealous of Kurt Cobain,
And the colored girls sing,

Doo - doodoo - doodoo - doo - doodoo
Doo - doodoo - doodoo - doo - doodoo

You know I can't explain,
What I can't explain,
Words can be so,
Fucking lame,
I wanna blow out the candle,
Blow out my brain,
I'm secretly jealous of Kurt Cobain,
And the coloured girls sing.

Doo - doodoo - doodoo - doo - doodoo
Doo - doodoo - doodoo - doo - doodoo

I want a million dollars,
I want fortune and fame,
I want the whole world,
To say "It's such a shame",
When I blow out the candle,
Blow out my brain,
I'm secretly jealous of Kurt Cobain,
And the coloured girls sing.

doo - doodoo - doodoo - doo - doodoo
doo - doodoo - doodoo - doo - doodoo
