

# Crabb Family, Through The Fire

So many times i've questioned certain circumstances  
And things I could not understand  
Many times in trials, weakness blurs my vision  
Then my frustration gets so out of hand  
Its then I am reminded I've never been forsaken  
I've never had to stand one test alone  
That's when I look at all the victories  
And the spirit rises up in me  
And its through the fire my weakness is made strong

Chorus:

He never promised that the cross would not get heavy  
And the hill would not be hard to climb  
He never offered our victories without fighting  
But He said help would always come in time  
Just remember when your standing in the valley of decision  
And the adversary says give in  
Just hold on, our Lord will show up  
And He will take you through the fire again

Bridge:

I know within myself that I would surely perish  
But if I trust the mighty hand of God, He'll shield the flames again, again

Repeat Chorus
