

Crabb Family, You Let The Light Back In

Verse I:

In the darkness of night I soaked my pillow with tears.
Getting over my past had consumed me with fears.
No hope was shining through, I didn't know what I should do.
I feel on my knees and then I called out to you.

Chorus:

Then out of nowhere the storm was over.
The sun could shine again.
You filled my heart with gladness.
You broke the chains of sin
You let the light back in.

Verse II:

I lived under a cloud for so long it seemed.
My days were empty of joy, robbed of my dreams.
Where did it all go wrong, How did I lose my song?
Paralyzed by failure, But your mercy made me strong.

Bridge:

It was hard to see the sunshine through the rain.
And it was hard to keep believing through all the pain.
