

Crack Ov Dawn, Gothic Party

I'm on the way to the temple ov doom
Where vampire chicks come into bloom
I look like a crow-ed brandon lee
Yet another antichrist wannabe

□

Bro you know how it goes
Life seems to be an overdose

□

Bro you know how it goes
Can't stop it now/ Want my lethal dose
Wet and skinny you're the sisters of mercy
Lapdancing at the gothic party
Gothic party Gothic party
I'm just a junk and you ain't a lady
Gothic party Gothic party
Yet another antichrist wannabe

□

Hello ya horny pale bitch
Don't you wanna be my witch
I don't care about your poetry
I'm just a junk and you ain't a lady
Proud ov your scars / miss suicide
