

# Crack The Sky, Flamingo Prelude / Too Nice For

You'll never get her in the back seat of your car  
She'll never ride on that motorcycle  
She'll never hang out on the Sunset Strip with you, man  
Or anyone, anyone  
She says no, no, no, I won't do that  
No, no, no, I can't do that  
I'm not that kind of girl

Chorus:  
She's too nice  
She's too nice for that  
She's too nice to do those things  
That you want her to do

She'll never put that outfit on for you, man  
She'll never let you put it on either  
She'll make you feel that you're so damn sleazy  
Just for bringing it up  
So don't you bring it up  
She says no, no, no, I won't do that  
No, no, no, I can't do that  
I'm not that kind of girl

Chorus
