

Crack The Sky, Needles And Pins

I saw her today
I saw her face
It was a face I love
And I knew
I had to run away
And get down on my knees and pray
That they go away
Still they begin
Needles and Pins
Because of all my pride
The tears I gotta hide

Hey, I thought I was smart
I won her heart
Didn't think I'd do
But now I see
She's worse to him than me
Let her go ahead
And take his love instead
Then one day she will see
Just how to say please
And get down on her knees
Yeah that's how it begins
She'll feel those needles and pins ... hurtin her

Why can't I stop and tell myself I'm wrong
I'm wrong so wrong
Why can't I stand up and tell myself I'm strong
