

# Cracker, Bad Vibes Everybody

CHORUS:

D Bad vibes F# every-G-body E

D Bad vibes G every-D-one

D Bad vibes, F# brothers and G sisters E

Yeah, D bad vibes G every-D-one

G I know it's wrong to blame the F# world for all my Bm troubles

but A that don't mean I D can't give it a G try.

Don't fuck me F# up with the peace, Bm love and under-F#-standing.

It's D time to give the G other side a D try.

CHORUS

Well, I've been clean and I've been calm and I've  
been sober until everyday is just like a day in church.

I've been in love and just fucked with my conviction  
to celebrate the bad things in this world.

CHORUS

D-G-D

Okay, stop
