Cracker, Be My Love

INTRO, BREAK & amp; FADE OUT: Am-F-C-E

Am I dream a F white bright light C E Am In endless F fevered night C E Am A birdwing brush F across my C back, you say to E me You could Am be my love F C E

Am The green Sar-F-gasso Sea C Am You're lying F next to me C Am You could F be my love, C you could E be my love Am F C E

I dream of starfish bright Or horses in the sea They sparkle back at me and you say What you waiting for?

The madness to set in The orchestra begins Well you could be my love, you could be my love (you could be my love)

BREAK

Across the shining seas you're caried on the breeze The fiddler starts his tune, the sirens sing (?) You could be my love

You could be my love You could be my love You could be my love, you could be my love

You could be my love You could be my love You could be my love, You could be my love

You could be my love You could be my love You could be my love, You could be my love

FADE OUT
