

Cracker, Low(Like Being Stoned)

Sometimes I wanna take you down
sometimes i wanna get you low
but brush your hair back from your eyes
take you down let the river flow
Sometimes I go and walk the street
Behind a green sheet of glass
A million miles below their feet
A million miles A million miles
Being with you girl like being Low
Hey Hey Hey like being stoned
Being with you girl like being Low
Hey Hey Hey like being stoned
A million poppies gunna make me sleep
Just one rose it knows your name
The fruit is rusting on the vine
A fruit is calling from the trees
Hey don't you wanna go down
Like some junky cosmonaut
A million miles below their feet
A million miles A million miles
Being with you girl is like being Low
Hey Hey Hey like being stoned
Being with you girl is like being Low
Hey Hey Hey like being stoned
Blue blue is the sun
Brown brown is the sky
Green green are her eyes
A million miles A million miles
Hey don't you wanna go down
Like some disgraced cosmonaut
A million miles below their feet
A million miles A million miles
Being with you girl is like being Low
Hey Hey Hey like being stoned
Being with you girl is like being Low
Hey Hey Hey like being stoned
Being with you girl is like being Low
Hey Hey Hey like being stoned
Being with you girl is like being Low
Hey Hey Hey like being...stoned....
