Cradle of Filth, Nymphetamine Fix

Lead to the river Midsummer I wait A "V" of black swans On with hope to the grave And through red September With skies fire-paved I begged you appear Like a thorn for the holy ones

Cold was my soul Untold was the pain I faced, when you left me A rose in the rain... So I swore to the razor That never enchained Would your dark nails of faith Be pushed through my veins again

Bared on your tomb I'm a prayer for your loneliness And would you ever soon Come above unto me? For once upon a time From the binds of your lowliness I could always find The right slot for your sacred key

Six feet deep is her incision In my heart that barless prison Discolours all with tunnel vision Sun setter... Nymphetamine Sick and weak from my condition This lust, this vampiric addiction To her alone in full submission None better... Nymphetamine

Nymphetamine, nymphetamine Nymphetamine girl Nymphetamine, nymphetamine My nymphetamine girl

Wracked with your charm I'm circled like prey Back in the forest Where whispers persuade More sugar trails More white lady laid Than pillars of salt

Fall to my arms Hold their mesmeric sway And dance out to the moon As we did in those golden days

Christening stars I remember the way We were needle and spoon Mislaid in the burning hay

Bared on your tomb I'm a prayer for your loneliness And would you ever soon Come above unto me? For once upon a time From the bind of your lowliness I could always find The right slot for your sacred key

Six feet deep is her incision In my heart that barless prison Discolours all with tunnel vision Sun setter... Nymphetamine Sick and weak from my condition This lust, this vampiric addiction To her alone in full submission None better... Nymphetamine
