

Craig David, 2 Stepz Back

U Kno I'm the kind of guy that does a 9 till 5
workin real hard cos thats the way i live my life
back home just me and u girl all alone
with no1 interruptin, switch off the phone
but i could b that other guy
who comes home late nite after nite then tells u lies
then y u trippin out on me girl all the time
wen everday its only u on my mind oh

Chorus

Evry time we take 1 step forward u take 2 stepz back
evry time its rite u bring left back oh
girl u really ought 2 fink about it
u kno ive been there 4 u and thats the truth (x2)
u kno ur the kind of girl that doesnt need 2 front
keep it real just let me kno wat u want
sometimes u just dont kno wen 2 stop
u worry so much over nothin'
u risk losing wat u got
now cant u c theres no other girl
i fink ur the most beautiful woman in the world yeah
but u say i dont appreciate ya
and i dont kno how 2 treat ya
we dont do the same things we did no more

Chorus x2

(Remember)

It wasnt that long ago, u told me that u luv me so
dont 4get all the nites we shared
wen u told me girl just how much u cared

(Remember)

U fink im bein led astray, but thats the way players play
Im not that kind of man y cant u understand cos i
want u 2 trust in me, baby girl cant u c
ur only gonna mess things up
uv done enough y cant u stop cos
ur gonna lose wats good 4 u
and thats the last fing u wanna do
wont find another like me oh
