Verse 1

Late last night

While you were chillin with your friends, baby

Driving all the God damn guys crazy

Hey, you said now would you like

To take me for a ride honey?

I said that would be just fine for me, for me, yeah

You come around and you were willing to try

But it wasn't enough I guess you wanted me to come your way

You wanna ride and then tell me you wanna stay

No way, aint messin with the games you play

Chorus

Fill me in, alright

Let me know what's up baby, (ooh yeah)

Can you fill me in? (alright)

Let me know what's up (let me know whats up)

Fill me in, well alright

Can you fill me in? (come on)

Let me know what's up (ohh yeah)

Verse 2

So tonight were gonna hit the club baby, get up

Get your groove on, party tonight, ooh yeah

So don't you worry

I'll be all over your body

Like chocolate over a turkish delight

Lady

Said you wanted to dance

But then you wouldn't dance

But you wanted to play

So slow it down Mr DJ (DJ)

And that's the reason why you always seem to get your way

It's down to the games you play

Chorus

Fill me in, well alright

Let me know what's up baby

Can you fill me in? (can you fill me in)

Let me know what's up (let me know what's up)
