You know what you gotta do

No need to hold back
Sexy thong, mini-skirt, stilletos
And shakin' all that
What you doin' to me
Girl I can't hold back
Some Hot Stuff
Is all that I need
So why we waitin'
Let's Dance

Hit the floor
Show me what you workin'
Sequins on your skirt
Insentuates all of your curves and
Girl you know I'm likin'
All the things your doin'
Specially when them other girls

Girl I want in
The way you turnin me on

You so hot like you come
Straight out of the kitchen
