

# Craig David, Hot Stuff (Ayo Technology Remix)

When I'm up in the club just getting down  
Need some hot stuff  
Up on the floor putting me down  
Need some hot stuff  
Chicks at the bar holding me down  
Need some hot stuff  
That's what I need, yeah

She wants it,  
I know you want me now  
She wants it  
For sure all over now  
She wants it  
So baby trust me now  
She wants it  
So watch me, put it down

Hit the floor  
Show me what you workin'  
Sequins on your skirt  
Insentuates all of your curves and  
Girl you know I'm likin'  
All the things your doin'  
Specially when them other girls  
Be checkin' out your moves and

Girl I want in  
The way you turnin me on  
I can't even begin  
You so hot like you come  
Straight out of the kitchen  
When you dip it down low  
Cuz we trippin'  
Cuz now other guys be lookin'  
At you cuz your so damn fine  
Really blows my mind  
Girl it's all about you  
So what we gonna do

[Chorus]

Let's Dance  
Get on the floor  
No need to hold back  
Sexy thong, mini-skirt, stilletos  
And shakin' all that  
What you doin' to me  
Girl I can't hold back  
Some Hot Stuff  
Is all that I need  
So why we waitin'  
Let's Dance

[Verse 2]

On the floor  
As I pull you close in  
Hands all up my back  
With my arms wrapped around your waist and  
Temperature be risin'  
Beat straight hypnotizin'  
Ain't no time for talkin'  
Girl let's keep this whole thing movin'

Know what I'm sayin'  
I been away bein straight up misbehavin'  
Girl you makin' me hard what I'm feelin'  
Especially when you spin around

[Verse 3 - 50 Cent]

She work it girl, she work the pole  
She break it down, she take it low  
She fine as hell, she about the dough  
She doing her thing out on the floor  
Her money money, she makin' makin'  
Look at the way she shakin' shakin'  
Make you want to touch it, make you want to taste it  
Have you lustin' for her, go crazy face it  
Now don't stop, get it, get it  
The way she shakin' make you want to hit it  
Think she double jointed from the way she splitted  
Got you're head f\*\*ked up from the way she did it  
She's so much more than you're used to  
She know's just how to move to seduce you  
She gone do the right thing and touch the right spot
