

# Craig David, One Last Dance

One last dance with you  
Even though what we have is strong  
Both of us know that we've done wrong  
You could lose everything  
Need to give it up  
Just one last dance with you  
For all the moments that we shared  
All the lies they don't compare  
You gotta go back to him, and I realize that  
Every time I see your face I know  
There's a part of me that can't bear to let you go

And I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
Though I don't wanna stop  
I know it's the right thing to do.....yeah

One last dance with you  
So hard to find the words to say  
But I can't see any other way  
Girl you've risked everything  
Time to give it up  
Just one last dance with you  
And though it breaks my heart to leave  
We both know it's time to let it breathe  
You gotta go back to him, girl I realize that  
Every time I see your face I know  
There's a part of me that can't bear to let you go

And I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
Though I don't wanna stop  
I know it's the right thing to do.....yeah

So many times we tried to hold back  
We been here before now girl  
And it feels so cruel, yeah  
A million tears won't change the fact that  
I find it hard to play the game  
When I feel like i'm the one to blame

But I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
Though I don't wanna stop  
I know it's the right thing to do.....yeah

And I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
And make our peace with god  
I know it's the right thing to do...yeah
