

# Craig David, One More Time

1-2-3-4-5

Doesn't matter how many times I try  
Can't be without your love  
So I'm not giving up, no

5-4-3-2-1

Doesn't matter what's been said or done  
Yeah I can make it right  
Just let me love you one more time

I got Liquor in my system  
Feeling kinda' wavy got me thinking  
Of all the things we used to do  
Back then when I was still with you  
You were there for me from the start  
When I didn't have a penny still had your heart  
For me those feeling haven't changed  
Need you back in my arms again

Southampton I was raised in the days  
Member' when you used to pick me up from raves in the days  
Selling mix tapes instead getting grades  
In my barbers getting a quick fade and a shape  
What can I say?  
Didn't think these days that I'd be missing  
Now I'm sitting at this table wavy & reminiscing.

(One more time  
One more time  
One more time  
Just let me love you one more time  
One more time  
One more time  
One more time  
Just let me love you one more time)

I wanna' hold you, but it's from a distance  
I don't know what to do, needing some assistance  
I'll roll up to your mum's house, I don't even business  
Cos I'll do anything, Cos maybe she'll help me fix this  
So many mandem on your case,  
Really should have allowed it  
I was nobody and you pick me out the crowd  
It took me this long just for me figure it out  
But the simple fact is I'm lost girl,  
When you ain't around

Is there hope for you and me?  
Cos I just wanna' have you back in my arms (back in my arms)  
Kicking myself, It drives me crazy thinking bout, ya -  
Counting all the nights and days you've been gone
