

# Craig David, Rendezvous

this is how we do (this is how we do)  
yeah well come on check it out  
(watcha doing cos we'll be rendezvousing &&  
you know we'll getting some getting jiggy just for fun)(4x)

six o'clock in the morning wipe the sleep from my eyes(yeah)  
felt just like an ordinary day  
just around the corner, such a surprise, a beautiful angel materialised  
time stood still, face to face  
I'm sure we'd met in another time and place(met in another time and place)

our eyes met as you passed me by (passed me by)  
two souls entwined in the blink of an eye(yeah)  
and I had to figure out what I'd be missing  
so I turned to you and asked you if you wanted to  
(you know we'll be getting some getting jiggy just for fun)

rendevous where to my place, say 2 && we can anything you wanna do  
hey, tonight is your night yeah  
when you close your eyes, take a minute, take a moment, realise  
do you see me when you fantasise  
tonight'll be your night

I'm just sitting here daydreaming about you and all the things you do  
girl feels so right  
and all I know ist you're the one for me, that special kinda'lady

in my life, in my life

well here I am writing you a lover song  
holding back those years, it's been so long  
and I can't deny the way I'm asking you, can we ...

hey what you thinking? hey what you thinking?  
darling tell me what's on your mind
