

# Craig David, She's On Fire

She's on fire  
Ohhh, Awww yeah  
Told you before baby

## Verse 1

She's hot, hot  
This ain't your typical pretty  
Sexy and witty  
Smashin' it in every city  
Cause (She's hot)  
Bump up on it  
Faces the lick  
And she's know it, 'Cos she be looking (in this era)(She's hot)

Turn down anything you screwed  
Ain't tryna be rude, dude  
She's straight finger lickin' like soul food (She's hot)  
So nonchalant  
Ain't gotta front  
Cos a (Coca Cola bottle shape ah it a run de place)

Back in the day the girl they always use to laugh at  
Years of growin' up with people sayin' you're fat  
Found it so hard felt so alone dealin' with that  
Cryin' every night on sixteen  
Whatcha say  
Pics of a model and perfections made you hold back  
Move in with guys be sayin' you ain't all that  
Now they be wishin' they could get a piece of that  
Lookin' hot for everyone to see

## Chorus

She's on fire tonight  
She's on fire tonight  
She's on fire tonight  
She's on fire, she's on fire  
She's on fire tonight  
She's on fire tonight  
She's on fire tonight  
She's on fire, she's on fire

She's on fire (She's on fire)  
Fire (She's on fire)  
Fire (She's on fire)  
Told you before (She's hot)

## Verse 2

Ain't afraid to be showin' you what she got  
Exploring the spot  
Specially 'cos she can drop it like (She's hot)  
Fire to da street  
She bringin' the heat  
And she knows it, 'Cos she be lookin' (in this era) (She's hot)  
Kinda girl that got you all up in a twist  
You can't resist  
So hot it's like she's straight takin' the piss (She's hot)  
Guys be like whoa, girls you don't know  
(Coca Cola bottle shape ah it a run de place)  
Yeah

Every day just tryna get up on the right track  
My girl be trippin' tryna sayin' her chest was so fat  
Messin' with your head till you started believing that  
Wouldn't stop until it hurt so deep, then one day

Like a genie in a bottle said don't worry 'bout this whole fad  
(Coca Cola Bottle shape ah)  
Then grabbed your hands and hold that  
Now they be wishin' they could get a piece of that  
Lookin' hot for everyone to see

#### Chorus

She's on fire tonight, (so that she know just what you want it for)  
She's on fire tonight, (the kinda looks so sick you walk alone)  
She's on fire tonight, (you should be ??? if your feeling sure)  
She's on fire, she's on fire, (I don't know bout you but she's on fire)  
She's on fire tonight, (when she walks its to be in control)  
She's on fire tonight, (so hot attentions get to you, even more)  
She's on fire tonight, (you should be ??? if your feeling sure)  
She's on fire, she's on fire, (I don't know bout you but she's on fire)

She's on fire, She's on fire  
Fire, She's on fire  
Fire, She's on fire  
Told you before &quot;Coke Cola, girl you have the shape)

#### Verse 3

But she's all dat  
She's so hot you can't even hold dat  
Her fire make ya burn on contact  
Deep like dis track  
Now a days she don't need be hold back  
Sneaks out to the mall, never crawls back  
Is you wan' be impress  
Quality time you need to invest  
Got nuff money your arm she na interest  
'Cos she dun' been blessed  
Back in da day when she na 'ave all dis  
Now she done, tell no one else can calm dis' (reee-wind)  
Hear me now

She's, Hot (freaki freaki), sixteen bars  
Hot like Biggie rappin' one more chance over the bars  
She's hot, so hot she'll have me beggin' for more  
And even hotter when her Victoria Secrets drop to the floor (She's hot)  
Hot like Elle, hot like getting' down with Giselle  
What the hell? Hot like sex back at the hotel (she's hot)  
But brace yourself, before you start to play yourself  
Because a (Coca Cola bottle shape ah it a run de place)

#### Chorus

She's on fire tonight, (so that she know just what you want it for)  
She's on fire tonight, (the kinda looks so sick you walk alone)  
She's on fire tonight, (you should be ??? if your feeling sure)  
She's on fire, she's on fire, (I don't know bout you but she's on fire)  
She's on fire tonight, (when she walks its to be in control)  
She's on fire tonight, (so hot attentions get to you, even more)  
She's on fire tonight, (you should be ??? if your feeling sure)  
She's on fire, she's on fire, (I don't know bout you but she's on fire)

She's on fire (Starting a fire)  
Fire (Starting a fire)  
Fire (Starting a fire)  
Told you before, (Coke Cola, girl you have the shape)

Fire (Starting a fire)  
Fire (Starting a fire)  
Fire (Starting a fire)  
Told you before (She's hot)

Outro  
Starting a fire  
Coke Cola, girl you have the shape (She's hot)  
Starting a fire  
Told you before  
She's hot  
Starting a fire  
Coke Cola, girl you have the shape  
She's hot
