

Craig David, Take 'Em Off

Girl Girl Girl
Take it off
Aww yea
(Check)

I'm not usually the type to speak my mind
Might be rude of me, but your so damn fine
What ya do to me
Got me feeling kinda crazy (Baby lets just do it right now)

Would it bother you if we go to my room
Theres a couple things that I gots to show you
Cuz I'm not tryna rush you but there's one thing wrong
Right now you got too many clothes on

[CHORUS]

Girl them jeans that you're wearing (Just Take Em Off)
And that shirt that you came in (Just Take It Off)
Don't be mad if I'm starin (Just Take It Off Baby)
(Take Em Off)
Tear those sheets off the bed
Cuz we're bout to go ahead (And Take Em Off)
Girl them heals look so right so just leave em on
Ain't no clothes allowed here
So baby girl just Take Em Off

Baby just wait a minute
Let's just slow this down
We can relax babe
And you can let your hair down (hair down)
You ain't gotta worry
Cuz I aint tryna hurry (Oh No)
Ima take some time and get this right baby

Lemme unplug the phone
So we can be all alone
Lemme turn down the lights
Cuz baby tonite it's on
Ima put on some music
All of our favorite songs
Baby cmon lets do this
And lets get it on

[CHORUS]

Girl I will do anything it takes to make it special
Maybe I can taste your love and I know (You Like Me To)
Cuz I never had a girl before I could trust like you
And i never had a love before whos down to get undressed like you
(Girl It's So Hard)
And I can't resist the way your sty pinches over your hips
(I Can't Stop)
Can't control myself, lay my hand over on your (Shh)
(Girl)
You almost bare now
That's your last pair now
So go and Take Em Off baby (Take Em Off Baby!)

[CHORUS]

Just Take Em Off Off Off
Every Time I wanna take em off babe
Just Take Em Off Off Off
Babe I know you wanna take em off babe

Just Take Em Off Off Off
Baby take em off we can dance all night
Just Take Em Off yea...
