

Craig David, Who You Are (feat. MNEK)

'Cause the person they all see
Doesn't matter much to me
Already know that you're a star
But I just wanna get to who you are
Who you are, are, are, are, are, are
Are
Already know that you're a star
But I just wanna get to who you are

Oh, yeah
I just wanna get to know you
Know exactly who you are
We built it up so we can break it down
Just to tear it all apart (Ah)
Actin' like how you're supposed to
A different journey to your heart (Ah)
But we both know this cycle goes around
Ends up way back at the start

'Cause the person they all see
Doesn't matter much to me
Already know that you're a star
But I just wanna get to who you are
Who you are, are, are, are, are, are
Are
Already know that you're a star
But I just wanna get to who you are (Ah)

Maybe it's just an illusion (Ooh, yeah; Ah)
Another construct of our mind (Ah)
But when you know you're not on solid ground (Ah)
You gotta pull up, press rewind (Press rewind; Ooh, yeah)
'Cause it used to be us right in the middle
Now the middle's so hard to find (Hard to find)
But when I know there's something left, just a little
It makes me wonder what you're tryna hide

'Cause the person they all see
Doesn't matter much to me (Oh)
Already know that you're a star
But I just wanna get to who you are
Who you are, are, are, are, are, are
Are
Already know that you're a star (Star)
But I just wanna get to who you are (Woah)

'Cause it used to be us right in the middle
Now the middle's so hard to find (Oh)
When I know there's something left, just a little
It makes me wonder what you're tryna hide

'Cause the person they all see (They see)
Doesn't matter much to me (Oh)
Already know that you're a star (Oh)
But I just wanna get to who you are
Who you are, are, are, are, are, are
Are
Already know that you're a star
But I just wanna get to who you are
