

# Craig David, Woman Trouble

I feel fantastic, bombastic,  
Ecstactically astounded  
How a girl can really lose her brain  
I feel surrounded, confounded  
Emotionally dumbfounded  
To think you've nearly won your game

Oh yeah, you said that I have  
Been gone too long  
Don't try to tell me  
That I was wrong (re-e-mix)  
Totally, wrong for me  
Got the hurt in my face  
Now I know the only thing to do  
Is to give myself some space  
I bet she never told you everything that drifted through her mind  
All the secret thoughts  
Well I bet you never caught her sliding with another man  
Because I did  
No no, I hate to see the way the finger points at me  
I'm at fault, I don't think so  
After all is said and done girl  
You know you've had your fun  
Why don't you leave it there

I feel fantastic, bombastic,  
Ecstactically astounded  
How a girl can really lose her brain  
I feel surrounded, confounded  
Emotionally dumbfounded  
To think you'd nearly won your game

Oh yeah  
You say you had a girl, with problems  
Tell me, did it lead to heartache and confusion? (re-e-mix)  
Did you wake up in tears  
Not knowing where you are?  
Did you, get it in the ear, like I did?  
Like I did  
I bet she never told you everything that drifted through her mind  
All the secret thoughts  
Well I bet you never caught her sliding with another man  
Because I did  
No no, I hate to see the way the finger points at me
