## Craig David, Woman Trouble

I feel fantastic, bombastic, Ecstactically astounded How a girl can really lose her brain I feel surrounded, confounded Emotionally dumbfounded To think you've nearly won your game

Oh yeah, you said that I have Been gone too long Don't try to tell me That I was wrong (re-e-mix) Totally, wrong for me Got the hurt in my face Now I know the only thing to do Is to give myself some space I bet she never told you everything that drifted through her mind All the secret thoughts Well I bet you never caught her sliding with another man Because I did No no, I hate to see the way the finger points at me I'm at fault, I don't think so After all is said and done girl You know you've had your fun Why don't you leave it there

I feel fantastic, bombastic, Ecstactically astounded How a girl can really lose her brain I feel surrounded, confounded Emotionally dumbfounded To think you'd nearly won your game

## Oh yeah

You say you had a girl, with problems
Tell me, did it lead to heartache and confusion? (re-e-mix)
Did you wake up in tears
Not knowing where you are?
Did you, get it in the ear, like I did?
Like I did
I bet she never told you everything that drifted through her mind All the secret thoughts
Well I bet you never caught her sliding with another man
Because I did
No no, I hate to see the way the finger points at me
I'm at fault, I don't think so
After all is said and done girl
You know you've had your fun
Why don't you leave it there

I feel fantastic, bombastic,

Ecstactically astounded
How a girl can really lose her brain
I feel surrounded, confounded
Emotionally dumbfounded
To think you've nearly won your game
