

# Craig David, Wouman Trouble

Bubblin' from the left  
Yes, we're bubblin' from the right  
Craig David and Robbie Craig, bubblin' all night  
Bubblin' from the left  
Yes, we're bubblin' from the right  
Craig David and Robbie Craig, bubblin' all night

This is how we do

I feel fantastic, bombastic,  
Ecstactically astounded  
How a girl can really lose her brain  
I feel surrounded, confounded  
Emotionally dumbfounded  
To think you've nearly won your game

Oh yeah, you said that I have  
Been gone too long  
Don't try to tell me  
That I was wrong (re-e-mix)  
Totally, wrong for me  
Got the hurt in my face  
Now I know the only thing to do  
Is to give myself some space  
I bet she never told you everything that drifted through her mind  
All the secret thoughts  
Well I bet you never caught her sliding with another man  
Because I did  
No no, I hate to see the way the finger points at me  
I'm at fault, I don't think so  
After all is said and done girl  
You know you've had your fun  
Why don't you leave it there

I feel fantastic, bombastic,  
Ecstactically astounded  
How a girl can really lose her brain

Oh yeah  
You say you had a girl, with problems  
Tell me, did it lead to heartache and confusion? (re-e-mix)  
Did you wake up in tears  
Not knowing where you are?  
Did you, get it in the ear, like I did?  
Like I did  
I bet she never told you everything that drifted through her mind  
All the secret thoughts  
Well I bet you never caught her sliding with another man
