

# Craig David, You don

As I sail with you across the finest oceans  
on our way to find the key to our emotions  
together we will move the clouds to brighter days  
some people question what I say try to break up you and me  
but I know this love between us is growing stronger  
you can call me whenever from wherever just remember that  
I'll be there through all the stormy weather  
us break up never, no, well be together forever  
You don't miss your water til the well runs dry  
but I believe so strongly in you and I  
can't somebody answer me the question why  
you don't miss your water til the well runs dry  
as I close my eyes sit back while reminiscing  
of when we used to fuss & fight but end up kissing  
there may be sad & painful times along the way  
but in my heart you'll always be, everything and more to me  
For I know this love between us is growing stronger  
you can call me whenever from wherever just remember that  
I'll be there through all the stormy weather  
us break up never, no, well be together forever

## CHORUS

for you are always on my mind, you are always on my mind  
girl you know that you  
you are always you're always on my mind  
you are always forever  
chorus(\*2)  
if you ever get the feeling  
you wanna play around start cheating  
remember you don't miss your water til the well runs dry
