

# Craig David, You Don't Miss Your Water (Til The

As I sail with you across the finest oceans  
On our way to find the key to our emotions  
Together will me move the clouds to brighter days  
Some people question what I say  
Try to break up you and me

But I know this love between us is growing stronger  
You can call me whenever, from wherever just remember that  
I'll be there through all the stormy weather  
Us break up never, no, we'll be together forever

You dont miss your water till the well runs dry  
But I believe so strongly with you and I  
Can somebody answer me the question why?  
You dont miss your water till the well runs dry

As I close my eyes, sit back while reminiscing  
Of when we used to fuss and fight but end up kissing  
There may be sad and painful times along the way  
But in my heart you'll always be everything and more to me

For I know this love between us is growing stronger  
You can call me whenever, from wherever just remember that  
I'll be there through all the stormy weather  
Us break up never, no, we'll be together forever

You dont miss your water till the well runs dry  
But I believe so strongly with you and I  
Can somebody answer me the question why?  
You dont miss your water till the well runs dry

For you are always on my mind

You are always on my mind  
You are always on my mind  
You are always on my mind

You dont miss your water till the well runs dry  
But I believe so strongly with you and I  
Can somebody answer me the question why?  
You dont miss your water till the well runs dry

You dont miss your water till the well runs dry  
But I believe so strongly with you and I  
Can somebody answer me the question why?  
You dont miss your water till the well runs dry

Listen, If you ever get the feeling  
You when playin start cheatin me  
But you dont miss your water until the well runs dry
