

Craig David, You Don't Miss Your Water (Til The

As I sail with you across the finest oceans
On our way to find the key to our emotions
Together will we move the clouds to brighter days
Some people question what I say
Try to break up you and me

But I know this love between us is growing stronger
You can call me whenever, from wherever just remember that
I'll be there through all the stormy weather
Us break up never, no, we'll be together forever

You don't miss your water till the well runs dry
But I believe so strongly with you and I
Can somebody answer me the question why?
You don't miss your water till the well runs dry

As I close my eyes, sit back while reminiscing
Of when we used to fuss and fight but end up kissing
There may be sad and painful times along the way
But in my heart you'll always be everything and more to me

For I know this love between us is growing stronger
You can call me whenever, from wherever just remember that
I'll be there through all the stormy weather
Us break up never, no, we'll be together forever

You don't miss your water till the well runs dry
But I believe so strongly with you and I
Can somebody answer me the question why?
You don't miss your water till the well runs dry

For you are always on my mind

You are always on my mind
You are always on my mind
You are always on my mind

You don't miss your water till the well runs dry
But I believe so strongly with you and I
Can somebody answer me the question why?
You don't miss your water till the well runs dry

You don't miss your water till the well runs dry
But I believe so strongly with you and I
Can somebody answer me the question why?
You don't miss your water till the well runs dry

Listen, if you ever get the feeling
You when playin' start cheatin' me
But you don't miss your water until the well runs dry
