

Craig Morgan, I Love It

Here she comes two hours late
But that girl's always worth the wait yeah and I love it
She's got a tie-died shirt on wrong side out
She makes left of center seem right somehow aw and I love it

She's got a way of being nonchalant
Kinda quirky everything I'm not

She's so unordinary
So unpredictable it's scary
And I think I got more than what I bargined for
But I keep coming back for more of it
Cause I love it

She's got two tattoos, one's on her back
And I ain't saying where the other one's at, but I love it
She don't own a dress, but she's a beauty queen
Takes glamour shots in cutoff jeans and I love it
But if there's one thing that I love the most
It's how she does exactly what I think she won't

She's so unordinary
So unpredictable it's scary
And I think I got more than what I bargined for
Oh but I keep coming back for more of it
Aw cause I love it

She's so unordinary
So unpredictable it's
Oh and I think I got more than what I bargined for
But I keep coming back for more of it
Yeah and I love it

Yeah I love it
