

# Craig Morgan, I Want Us Back

Lately I've been lonely  
Lord knows I don't like that feeling  
Any more than you like feeling lonely too  
I don't know which one's to blame  
For almost putting out our flame  
But for me it's not the thing for us to do

The way it was, the way we were  
Baby, you and me is where it was at  
And I want, I want us back

Girl, we've come too far  
For us to give up on tomorrow  
Where we've shared so many good time yesterdays  
If I know you like I think I do  
I know that you don't want to lose  
The me and you, I'm dying to save

The way it was, the way we were  
Baby, you and me is where it was at  
And I want, I want us back

I want to feel your love all over me  
Wrapped up in us is where I want to be  
I want, I want  
I want to feel your love all over me  
Wrapped up in us is where I want to be  
I want, I want us back

Lately I've been lonely  
Lord knows I don't like that feeling  
Any more than you like feeling lonely too
