

# Craig Morgan, Look At 'Em Fly

A red lady bug  
From out of mid air  
Took a break and sat with me  
On my rockin' chair  
I looked at her  
She looked up at me  
And we both agreed to let each other  
Rest in peace  
Then it was back to the sky  
Oh look at her fly  
Like that mama bluebird  
Protecting her kids  
And those dandelion wishes  
Flostin in the wind  
A few bumble bees buzzin' by  
O look at 'em fly  
Its amazind what you see  
When you stop and look at things  
Well thats all it took  
I got to thinkin' 'bout things  
You know years are like those bees  
And dandelion seeds  
Gone in the blink of an eye  
Oh look at 'em fly  
Its amazing what you see  
When you stop and look at things

Well looky there  
Another red ladybug  
From out of mid air  
Took a break and sat with me  
On my rockin' chair
