

Cranes, Bewildered

Oh my love...where are you now?
Hands held like it's the end of the world
And I won't let go if you don't
I won't say no if you don't

Oh my love...
It's cold here today but I can't feel it
There's a fire in my face, but I'm not near it
It's cold here today but I can't feel it
There's a fire in my face, but I'm not near it
